IMPORTANT INFORMATION

An application for inland wetlands and watercourses agent certification of no greater than a minimal impact must be accompanied by a plot plan containing all the information necessary to enable the IWWC Agent to decide whether the proposed building, alteration, addition, or use complies with all the provisions of these regulations.

The IWWC Agent may rely on the information submitted above in making a determination of compliance. It is the responsibility of the applicant to assure the accuracy of all information submitted.

NOTICE OF OBLIGATION TO PUBLISH AND RIGHT TO APPEAL (CGS 22a-42a. (2))

An inland wetlands agency may delegate to its duly authorized agent the authority to approve or extend an activity that is not located in a wetland or watercourse when such agent finds that the conduct of such activity would result in no greater than a minimal impact on any wetland or watercourse ... such agent may approve or extend such an activity at any time. Any person receiving such approval from such agent shall, within ten days of the date of such approval, publish, at the applicant's expense, notice of the approval in a newspaper having a general circulation in the town wherein the activity is located or will have an effect. Any person may appeal such decision of such agent to the inland wetlands agency within fifteen days after the publication date of the notice

I certify that the information submitted herein is accurate to the best of my knowledge and that I have been informed of my obligation to publish, at my own expense, notice of any certification received.
