Independent Auditors' Report on Compliance with Requirements That Could Have a Direct and Material Effect on Each Major Program, on Internal Control over Compliance in Accordance with OMB Circular A-133 and on the Schedule of Expenditures of Federal Awards

To the Honorable Mayor and
Board of Aldermen
City of Waterbury, Connecticut

Compliance

We have audited the City of Waterbury, Connecticut's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the City of Waterbury, Connecticut's major federal programs for the year ended June 30, 2011. The City of Waterbury, Connecticut's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the City of Waterbury, Connecticut's management. Our responsibility is to express an opinion on the City of Waterbury, Connecticut's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City of Waterbury, Connecticut's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the City of Waterbury, Connecticut's compliance with those requirements.

In our opinion, the City of Waterbury, Connecticut, complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2011.

Internal Control over Compliance

Management of the City of Waterbury, Connecticut, is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the City of Waterbury, Connecticut's internal control over compliance with the requirements that could have a direct and material effect on a major federal program to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City of Waterbury, Connecticut's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

Schedule of Expenditures of Federal Awards

We have audited the financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the City of Waterbury, Connecticut, as of and for the year ended June 30, 2011 and have issued our report thereon dated December 23, 2011. Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the City of Waterbury, Connecticut's basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Except for the exclusion of the noncash portion of the Special Supplemental Nutrition Program for Women, Infants and Children Food Benefits (CFDA #10.557) and the Immunization Vaccine Program (CFDA #93.268) from the basic financial statements, such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

This report is intended solely for the information and use of the Honorable Mayor, the Board of Aldermen, the Board of Education, management, federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Blum, Shapiro & Company, P.C.

**CITY OF WATERBURY, CONNECTICUT
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
FOR THE YEAR ENDED JUNE 30, 2011**

Various agencies of the Federal Government have made financial assistance available to the City of Waterbury, Connecticut. These grants fund several programs including housing, education, human services, transportation and general government activities.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the City of Waterbury, Connecticut, conform to accounting principles generally accepted in the United States of America as applicable to government entities. The following is a summary of the more significant policies relating to the aforementioned grant programs.

Basis of Accounting - The accompanying schedule of expenditures of federal awards includes the federal grant activity of the City of Waterbury, Connecticut, and is presented on the modified accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*.

NOTE 2 - USDA NONCASH AWARDS

Donated commodities in the amount of \$382,501 are included in the Department of Agriculture's National School Lunch Program, CFDA #10.555. The amount represents the market value of commodities received.

NOTE 3 - WIC AND IMMUNIZATION NONCASH AWARDS

The City of Waterbury, Connecticut, also reports noncash awards under the Special Supplemental Nutrition Program for Women, Infants and Children Food Benefits. The amount of \$5,098,923 included in the schedule of federal awards includes \$4,038,050 of noncash benefit payments made directly to suppliers by the State of Connecticut, as reported by the State Department of Public Health, for eligible participants of the program. In addition, the amount of \$171,666 included on the schedule of federal awards also includes \$75,169 of noncash benefit payments made for the Immunization Program, as reported by the State Department of Public Health.

**Independent Auditors' Report on Internal Control over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards***

To the Honorable Mayor and
Board of Aldermen
City of Waterbury, Connecticut

We have audited the financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the City of Waterbury, Connecticut, as of and for the year ended June 30, 2011, which collectively comprise the City of Waterbury, Connecticut's basic financial statements, and have issued our report thereon dated December 23, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

In planning and performing our audit, we considered the City of Waterbury, Connecticut's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City of Waterbury, Connecticut's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the City of Waterbury, Connecticut's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City of Waterbury, Connecticut's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Honorable Mayor, the Board of Aldermen, the Board of Education, management, federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Blum, Shapiro & Company, P.C.
