## **Key facts and information about Medco by Mail**

### ■ **Generic vs. brand-name medications**

The brand name of a medication is the product name under which it is advertised and sold. Generic equivalents contain the same active ingredients and are subject to the same rigid FDA standards for quality, strength, and purity as their brand-name counterparts.

### ■ **Specialty Medications**

As part of your prescription drug benefit, City of Waterbury has arranged for you to have access to the enhanced services of our specialty care pharmacy, **Accredo Health Group**, for your specialty medication needs. **To get the most from your prescription drug benefit, be sure to start purchasing your specialty medications from Accredo.** Any member of your household taking specialty medications can feel confident using Accredo because of their expertise in handling medications for complex conditions. In addition, Accredo provides these high-quality services:

- Toll-free access to specially trained pharmacists 24 hours a day, 7 days a week
- Personalized counseling from our dedicated team of registered nurses and pharmacists
- Expedited, scheduled delivery of your medications at no extra charge
- Refill reminder calls
- Free supplies to administer your medication, such as needles and syringes

**It's easy to get started using Accredo. Please choose one of the following options to help ensure an uninterrupted, covered supply of the specialty medications you need:**

#### ***OPTION 1 — Call our specialty care pharmacy:***

**Step 1:** Simply call our specialty care pharmacy toll-free at **1 800 501-7260** between 8:00 a.m. and 8:00 p.m., Eastern Time, Monday through Friday.

**Step 2:** We'll contact your physician and make all the arrangements needed to help ensure a smooth transition so you can continue receiving the medications you need.

**Step 3:** We'll call you back to arrange for expedited delivery of your medications at a time that is convenient for you.

#### ***OPTION 2 — Have your doctor call:***

**Step 1:** Provide your doctor with your member ID number (shown on your prescription drug ID card) and ask him or her to call 1 800 987-4904. We'll work with your doctor to make the transition smooth for you.

To confirm the pharmacies where you can obtain the same coverage for your medications, call our specialty care pharmacy toll-free at **1 800 501-7260**.

■ **The quality of Medco By Mail medications**

You can always count on the medications you get through Medco by Mail to be of the same high quality as those you currently use.

■ **Special handling of temperature-sensitive medications**

Medco takes care to protect the potency and effectiveness of your medications. Therefore, any medications that are sensitive to extreme heat or cold are shipped in special insulated packaging with gel packs designed to keep the contents at the correct temperature throughout the delivery process. In addition, you can arrange for these types of medications to be delivered at a time and location that's convenient for you to help keep exposure to heat or cold to a minimum.

■ **Getting started at Medco By Mail**

Ask your doctor to write a new prescription for your plan's maximum days' supply (usually 90 days) with refills up to 1 year, as appropriate. You may mail your prescriptions in the special envelope you receive with your enrollment materials or ask your doctor to call 1 888 327-9791 for instructions on how to fax them. If your order is faxed, your doctor must have your member number to complete the transaction.
