SUBJECT: New Life Insurance Carrier – Anthem Life

---

Effective February 1, 2010 the life insurance carrier for the City of Waterbury changed from Unimerica (a division of United Health Care) to Anthem Life Insurance Company.

This change in carrier will not affect your benefits and you will remain covered as you have been covered according to the schedule of benefits currently in place.

We have worked with Anthem to get new Certificates of Insurance for each covered class and you can find all certificates on the Pension & Benefits web site.

You will also find Anthem's administrative forms on our web site for you to download and print. Most importantly, we have included Anthem's beneficiary designation form. There is no need to complete a new form if the previously completed Unimerica form is current, however, circumstances change and it is always a good idea to revisit your beneficiary designation to ensure it reflects your most current family situation.

Anthem provides covered employees with additional benefits. See the link to Special Offers @ Anthem.
