

# WATERBURY EARTH DAY CLEANUP

The Waterbury Litter Control & Beautification Commission and the Honorable Mayor Michael J. Jarjura are looking for individuals to participate in a city wide Earth Day Clean-Up to be held on Saturday, May 6, 2006 (Rain date: Saturday, May 13, 2006). The clean up will start at 9:00am and continue through 1:00pm. Come and lend a hand to help ***“Keep Waterbury Clean and Neat Out to the Street”***. All participants are asked to meet in the following locations in their area of the city:

North Side – Lakewood Park Band Stand  
South Side – River Baldwin Recreation Center  
East Side - Hamilton Park, Corner of Ildywood and East Main Street  
West Side - North parking lot at the Municipal Stadium.

Each location will have a central check in point. Work gloves, trash and leaf bags will be passed out from these areas. Individuals can clean an area of their choice or areas to be cleaned will be identified by the Litter Control & Beautification Commission and assigned to individuals and groups if they do not have an area in mind. Participants are asked to wear old, comfortable clothing. Any additional questions should be directed to Michael Ptak at 754-9311.

Spend a day with your family, friends and neighbors and show the rest of Connecticut the pride we have in our city.

**“BYORS&B” (Bring Your Own Rake, Shovel & Broom)**
