Household Hazardous Waste Drop-off Events Scheduled for 2024

What is HHW?

Keep our waterways and trash bins free from dangerous stuff by dropping it off to one of the free Household Hazardous Waste collection events! The first is on Saturday April 27th, 8 am – 2 pm, at 1 North Division Street, Ansonia. The 2nd event will be on July 27th, in Wolcott, location TBD. The 3rd will be on September 28th at Nonnewaug High School in Woodbury.

“Household Hazardous Waste” refers to items from your garden, workshop, toolshed, garage and even kitchen that are poisonous or otherwise dangerous e.g. bug spray, brake fluid, drain cleaner etc.

GREEN TALK: tell us what you think of our newsletter, what you would like covered in upcoming issues, and how we can continue greening the Brass City!

“WINTER IS THE PITS” fire pit festival returns on February 10th!

Come out to Hamilton Park on Saturday February 10th for a day of fun! In addition to bonfires, food trucks, music and games there will be recycling magic from CJ May – Waterbury’s recycling magician!

OOPS!

To help residents recycle the right items Waterbury’s Public Works employees place “OOPS Tags” on carts which have been used for the wrong stuff and “Green Star” tags on carts with only the right stuff. The cart in this picture has both just for demonstration. Common problem items are:

- ❌ Plastic bags
- ❌ Styrofoam
- ❌ Bubble wrap
- ❌ Items with food
- ❌ Plastic straws, lids, utensils
